Extra-Strength Cleaner is a non-flammable, medium-sudsing, industrial cleaner and degreaser. It is ideal for heavy-duty cleaning. This water-based cleaner contains natural solvents, chelating agents, and biodegradable surfactants for the fast, safe removal of ink, coffee, graphite, greases, and oils on all surfaces, including most clothing.

Unlike harsh caustics and volatile solvents, **Extra-Strength Cleaner** cleans safely without hazardous fumes and toxic by-products. It is ideal for use in food service areas, garages, and machine shops.

Extra-Strength Cleaner is non-toxic and biodegradable.

Directions

Empty contents of an Extra-Strength Cleaner pack into warm water (see dilutions ratios below). Apply with sponge, cloth, or trigger sprayer. Wipe away with damp cloth.

Dilutions

#2308732 & #2313729

Mix each pack with 1 quart of water for all-purpose spray-and-wipe cleaning. Mix with 2 gallons of water for scrubbing or 4 gallons for damp mopping.

#2308749

Mix each pack with 4 gallons of water for scrubbing or damp mopping. Mix with 1 quart of water for heavy-duty spray-and-wipe cleaning.

#2308848

Add one 10-ounce pack per 5 gallons of water into Quik Tank container for all-purpose spray-and-wipe cleaning, or two 10-ounce packs per 5 gallons of water for heavy-duty degreasing.

Ingredients

The primary ingredients in Extra-Strength Cleaner are anionic and nonionic surfactants.

Personal Protective Equipment: Wear protective gloves. Wear protective eyewear.

Unused Product Disposal: Unused product or its solutions may be poured down the drain. Never pour unused product or its solutions down an outdoor drain.

Improper dilution or improper use of this product may result in skin and eye irritation, damage to surfaces and unsatisfactory cleaning performance.

Pack Recycling: Empty packs should be rinsed out with cold water and then placed for recycling where accepted.

Chemical Characteristics

Appearance	Clear, Green Liquid
