All-Purpose Cleaner/Deodorizer is powerful enough for almost any situation. It can be used on surfaces ranging from stainless steel, chrome, porcelain, quarry tiles, terrazzo, marble, and concrete, to most ceramics and painted surfaces.

Stearns developed **All-Purpose Cleaner/Deodorizer** to be an environmentally responsible product. Its concentrated detergent contains a readily biodegradable surfactant system and is free of phenolic compounds. Premeasured and packaged in a 100% biodegradable water-soluble film. The packets dissolve completely in water, reducing package waste and leaving you with solution ready for cleaning.

Just drop one water-soluble packet of **All-Purpose Cleaner/Deodorizer** in water. No need to measure, pour or cut open packages. It doesn't matter if it's tough stains or simple cleaning, **All-Purpose Cleaner/Deodorizer** can do the job.

Directions

#2708978 & #2702259

Use All-Purpose Cleaner/Deodorizer at the dilution ratio of one packet to three gallons of warm water for normal cleaning jobs. For heavy soils, use one packet to two gallons of warm water. For light cleaning, use one packet to four gallons of water. Apply the solution with a mop, cloth or sponge. Rinse surface with water after cleaning.

Ingredients

The primary ingredients in All-Purpose Cleaner/Deodorizer are sodium bicarbonate, alcohol ethoxylates, sodium metasilicate, sodium carbonate, sodium chloride, citric acid, a dispersant, a sequestering agent, fragrance and dye.

Chemical Characteristics

Appearance	Yellow Packets
Biodegradable	Yes
California Compliant	Yes
Corrosive Category (Concentrate)	No
Corrosive Category (Use Dilution)	No
DEA-Free	Yes
Fragrance	Lemon
Non-Acid	Yes
Non-Butyl	Yes
Non-Flammable	Yes
NPE-Free	Yes
NSF Certified	C1
pH (Use Dilution)	9.5-10.0
Phosphate-Free	Yes
VOC	None

Caution

Do not handle packets with wet hands. Do not remove packets from container prior to use. Humidity and water will destroy the packet integrity.
