Water Flakes® Heavy-Duty Cleaner Degreaser is a highly concentrated formula especially designed for degreasing floors and general purpose spray-and-wipe cleaning.

Grease and oil build-ups commonly found in foodservice areas are cleaned with ease. **Heavy-Duty Cleaner Degreaser** effectively fights grease and cleans away dirt and grime on surfaces ranging from vinyl, asphalt, ceramic tile, and quarry tile to stainless steel, linoleum, concrete, and formica.

Heavy-Duty Cleaner Degreaser is premeasured and packaged in a 100% biodegradable film. The packets dissolve completely in water, reducing package waste, and leaving you with solution ready for cleaning. Just drop one watersoluble packet of **Heavy-Duty Cleaner Degreaser** in water. No need to measure, pour, or cut open packages.

Use **Heavy-Duty Cleaner Degreaser** to clean grease on floors, walls, and a wide variety of other surfaces. **Heavy-Duty Cleaner Degreaser** rinses fast and easy.

Directions

#2709005

For mop-and-bucket: Add 1 packet to bucket of warm or hot water and stir gently to form a uniform solution. Apply solution to floor with mop. Rinse with clean mop water.

For spray-and-wipe: Fill a 5 gallon / 19 liter dispenser with warm water. Add 2 packets to dispenser, replace cap and agitate dispenser to create a uniform solution. Draw off solution from dispenser into spray bottle. Spray on surface to be cleaned, and wipe with clean cloth or sponge. Rinse all surfaces with potable water.

For general cleaning: Add one packet to 4 gallons of warm or hot water.

For daily degreasing: Add one packet to 3 gallons of warm or hot water.

For heavier degreasing: Add one packet to 2 gallons of warm water.

Ingredients

The ingredients in Heavy-Duty Cleaner Degreaser are sodium carbonate, sodium salt of EDTA, anionic surfactant, sodium metasilicate, and glycol ether.

Chemical Characteristics

Appearance	Purple Powder
Biodegradable	Yes
California Compliant	Yes
Corrosive Category	Skin Category 1C
Corrosive Category	Eye Category 1
DEA-Free	Yes
Scent	Butyl
Non-Acid	Yes
Non-Butyl	No
Non-Flammable	Yes
NPE-Free	Yes
pH (Use Dilution)	10.6
Phosphate-Free	Yes
VOC (Concentrate)	<6.0%

Caution

Do not handle packets with wet hands. Do not remove packets from container prior to use. Humidity and water will destroy the packet integrity.
