DEEP BLUE

Multi-Purpose Glass and Surface Cleaner

Outstanding performance in a convenient ready-to-use aerosol package. No ozone damaging propellants. This multi-purpose, hard working formula cleans through chemical action and does not require excessive rubbing. Ideal for almost every surface, this product is fortified with ammonia to clean fast and dry fast, without leaving streaks or residue. Perfect for small cleanups or on large surface areas, the fast foaming action stays where you spray it, quickly lifting away soils. Convenient to use and powerful too, this glass and surface cleaner makes all cleaning tasks quick and easy. Contains no harmful abrasives, and the unique spray pattern covers a wide surface area for maximum economical use.

Uses

- Aluminum
- Bathtubs and sinks
- Chrome
- Mirrors
- Plastic
- Showcases
- Tile
- Non-tinted Windows
- Appliances
- Chandeliers
- Formica®
- Painted surfaces
- Porcelain
- Stainless steel
