DAILY SCRUB SC

Heavy Duty Daily Floor Cleaner

Designed for floors which are frequently burnished, this product will quickly and completely remove deeply embedded soils. Perfect for use in high-traffic areas, this product will extend the time between costly strip-outs. Economically formulated to be used at 1/8 oz. per gallon. One quart makes 256 gallons. For pennies a gallon, your floors will stay cleaner longer. This product is also excellent for scrub and recoat applications.

Uses

- High-Speed burnish programs
- Retail
- Contract cleaning
- Warehouses

Features

- Economical – Dilute at 1:1024 for daily cleaning. One quart bottle makes 256 gallons!
- Controlled foam – Great for use with a mop and bucket or automatic scrubber.
- Versatility – Also an excellent product for scrub and recoats at a stronger dilution.
- Performance – Keeps floors cleaner longer. Extends time between strip-outs.
