Recommended For: Grease Traps, Septic Tanks, Down Pipes, Wet Wells, RV's, Porta-Toilets, Marinas, and Drinking Fountains.

DIRECTIONS:
Grease Traps; For traps less than 20 cubic feet capacity, add 4-5 ounces daily by pouring into sink closest to the trap. For traps larger than 20 cubic feet began with 8-10 ounces daily.

Septic Tanks; Shock with 16 ounces per 25 cubic feet capacity initially. Treat with 1 quart monthly poured directly into toilet and flushed. If tank is clogged or odorous add 1 gallon directly into tank.

RV & Boats; Add 2 ounces per gallon in holding tank. Thereafter use 1 ounce per gallon as needed. For use at a dump station, shock with 1 gallon then add 16-32 ounces per week as needed.

E-ZYME PLUS

03-8167

Manufactured for
Liquid Solutions LLC
PO Box 677
Magee, MS 39111

Liquid Alive Bacteria with Odor Control

Caution: Avoid all contact with open wound. Keep container closed when not in use. Do Not store in direct sunlight. Do Not ingest.

KEEP OUT OF THE REACH OF CHILDREN

Porta-Toilets; Add 1 gallon directly, and then cover the solids with water to aid digestion.

Drain Lines & Down Pipes; Start on the lowest floor, add weekly if needed, not to exceed 4 times per week.

For 4" Pipe Add	8 ounces weekly
6"	12
8"	16

E-ZYME PLUS should be added AFTER drain openers have been use and lines flushed. Do Not subject E-ZYME PLUS to disinfectants, chlorinated detergents or extremely hot water.
