Soft Care® Defend™/MC Liquid or Foam

Antibacterial Handwash

Soft Care® Defend™/MC is an effective, fragrance free, mild, antibacterial soap. This unique product combines the caring aspect of a gentle on skin cosmetic with antiseptic properties. Formulated with chloroxylenol (PCMX), Soft Care® Defend™/MC is effective at removing soils , rinses quickly and leaves no residue on skin.

Features

- Effective antibacterial
- High quality and consistent foam and liquid texture
- Mild on skin
- Fragrance Free
- Triclosan Free
- Dye Free
- Powerful surfactant system
- Skin compatibility tested (Patch test)

Benefits

- Safe, quick and effective formulation helps reduce cross-contamination
- Rubs easily onto hands and leaves no sticky residue, due to quality and consistent texture
- Mild on skin, avoiding excessive cracking and dryness for even the most frequent users
- Reduced skin irritation and greater skin compatibility
- Great cleaning performance
- Effective surfactant system ensures excellent removal of soil
- Designed for individuals who desire a mild antibacterial soap

Applications

- Excellent choice when hand washing with an antibacterial agent is desired
