ALCOHOL BASED

Foaming Hand Sanitizer

DESCRIPTION

Afia™ ALCOHOL BASED Foaming Hand Sanitizer is a superior quality, 70% Ethyl Alcohol hand sanitizer that exhibits exceptional foaming for an alcohol based product. This fast drying formula contains cosmetic grade emollients, skin conditioners and moisturizers, leaving your hands "silky smooth" after use. Use with Afia™ Hand Cleaner Dispenser to create a rich lathering foam.

Recommended for use in virtually any hand sanitizing situation, including Healthcare, Schools, Universities, Institutions, Office Buildings, Hospitals, Nursing Homes. Also ideal for Restaurants, Super Markets and Delicatessens, Meat Prep Rooms and Institutional Kitchens..

PRODUCT FEATURES / BENEFITS

- 70% Ethyl Alcohol based foaming hand sanitizer
- Kills 99.999% of common germs that cause illnesses within 15 seconds
- Contains conditions, moisturizers and emollients for soft smooth skin; fast drying.
- Approved by the US Food & Drug Administration (FDA) (NDC#71023-440-57)
- Meets CDC hand santizing guidelines.

DIRECTIONS FOR USE

ADDING PRODUCT TO THE DISPENSER

1. Push valve end of bag down onto the pump assembly. (figure 1).
2. Press down on the plastic connector until the bag is fully pressed down and the pump is inserted completely into the pouch (see figure 2).
3. If needed, gently tuck the corners of the bag to ensure complete closure of dispenser cover.
4. Frequent hand washing is one of the simplest and most effective ways to maintain health. ALCOHOL BASED Foaming Hand Sanitizer will leave hands fresh and sanitized.

Apply sufficient product in your palm to cover hands and rub hands together briskly until dry. For children under six years of age, hand sanitizer should only be used with adult supervision.
