D-FOG is specially formulated for use in Lift Stations, Wet Wells, Sewer Lines and Grease Traps to Quickly Dissolve Accumulations of Fats, Oils, and Greases.

D-FOG cleans and maintains to prevent fouling of probes and floats. Will not inhibit waste digestion or affect B O D or O D I when used as directed.

D-FOG has a pleasant citrus fragrance which aid in controlling offensive odors.

DIRECTIONS:
Pour directly down manhole into wet well; Spray on side wall and allow to dissolve grease on sides; Inject into grease traps to keep scum mat liquid while providing an odor blanket.

D-FOG

03-8499-5

Manufactured for
Liquid Solutions LLC
PO Box 677
Magee, MS 39111

Bio-Based Biodegradable Terpene Solvent Blend
