DESCRIPTION

Using the power of hydrogen peroxide, **OXY PRO** is the next generation in cleaning. There are many "oxygen based" carpet spotters on the market these days, but **OXY PRO** is different because it is formulated at a higher pH than other cleaners. Hydrogen peroxide is more active at a higher pH, which means better cleaning and stain removing properties than the other market brands.

OTHER FEATURES INCLUDE:

- An anti-resoiling agent to prevent stains from reappearing before extraction.
- Surfactants dry to a brittle, non-tacky residue easily vacuumed away.
- Coats carpet fibers to prevent resoiling which is not detectable by feel or appearance.
- Destroys odors caused by stains.

REMOVES SOILS SUCH AS: Coffee, Red Wine, Tea, Juice, Kool-Aid®, Grass Stains, Ink, Blood, Grease, Pet Stains, Soda & More.

Wear eye protection, protective clothing, protective gloves. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a doctor.

For industrial and commercial use only.
For additional information, see Safety Data Sheet.

DIRECTIONS

Spray **OXY PRO** on stain or soil. With a clean dry cloth, work from the outside of the stain towards the middle in a circular motion. Allow to dry to an invisible powder which may be vacuumed away at any time. Always test in an inconspicuous area before using.

WARNING: This product contains, or may contain, trace quantities of a substance(s) known to the state of California to cause cancer and/or reproductive toxicity.

Disposal:
Offer empty container for recycling. If recycling is not available, discard container in trash.

NFPA® Ratings
Health: 2; Flammability: 0; Reactivity: 0

Contains/CAS Number:
Water/7732-18-5;
Hydrogen Peroxide/7722-84-1;
Styrene Maleic Anhydride Resin/52720-34-0;
Surfactant Blend/Proprietary;
Diethylene Glycol Monobutyl Ether/112-34-5.

Please recycle.
