Daydreamer

Air Quality Enhancer

This specially designed malodor neutralizer addresses grounded and airborne odors. Its refreshing fragrance uniquely converts stagnant stale air to pleasant invigorating air.

Daydreamer can be used as a contact or space spray to totally remove odors. Use in elevator shafts, apartments, locker rooms, garbage areas, kennels, nursing homes, lobby areas, meeting rooms, vehicle interiors, hotels, compactor rooms, trash chutes and many more places.

DIRECTIONS

As a contact spray: Spray product directly on the source of odor.

Floor Drain Treatment: Use 1/2 bottle for 4 inch line and complete bottle for greater size drain lines. (Repeat monthly.)

As a space spray: A one-squirt-burst for controlling odor. Spray product toward the center of the room.
