CITRO FRESH

Dumpster Odor Eliminator

Citro Fresh contains a patented odor neutralizer that eliminates, not masks, odors at their source. All natural granules absorb liquid in dumpsters, trash compactors, trash cans, and dump sites that cause offensive odors. Citro Fresh contains citronella, an effective, all-natural deterrent to flying insects, like gnats, bees and ants typically found around waste.

Directions

Sprinkle the granules into the dumpster, trash receptacle or area requiring attention. Repeat after each service to continuously eliminate odors and flying insects.

Applications

Ideal for use in dumpsters and trash receptacles located in hotels, office buildings, restaurants, and municipal buildings. Also ideal for trash compactors landfill sites, sewage treatment plants, manure piles, loading docks, and around food waste, such as meats, fish and poultry.

VOC Compliant
Long lasting, economical to use
Eliminates odors
Biodegradable, non-corrosive and acid free formula
Easy to use

Contains: Biodegradable Absorbents C.A.S. # N/A, Citronella Oil C.A.S. # 8000-29-1, Proprietary Odor Eliminator C.A.S. # N/A
