EASY-SHINE FLOOR SEALER-FINISH

This easy floor care product is designed with sealers and finish in one step. **EASY-SHINE** provides that glass clear shine in a durable and wear resistant coating. No matter how often you mop or scrub, the finish stays bright like it was newly applied.

EASY-SHINE has excellent leveling between coats for that new floor look.

This finish is slip resistant and shields against black heel marks.

EASY-SHINE is a non buff formula that is easily maintained to reduce maintenance costs.

CAUTION: WET FLOORS CAN BE SLIPPERY, USE CARE TO PREVENT INJURY.

DIRECTIONS FOR USE:

Clean and strip floors in the conventional manner. On initial application of **EASY-SHINE,** use two thin coats, allowing for complete drying between coats. Apply using long gentle strokes in the same direction to avoid creating foam or bubbles. NO BUFFING NECESSARY.

Routine maintenance is easy using **CS-CONCENTRATE or LEMON CLEAN** as directed to damp mop clean.

As the finish begins to wear, just mop or top scrub to clean floor, rinse and allow to completely dry. Apply one coat of **EASY-SHINE** as needed. No wax build-up will occur with this product.
