CASCO CS-100 is a highly concentrated all purpose cleaner and degreaser especially designed for use in the animal and poultry growing and processing industries where heavy soil occurs that produce especially hard cleaning problems.

This product when diluted with water will effectively clean the following residues safely from dirty surface not harmed by water:

oil	down
animal fats	feathers
grease	manure
blood	mud
protein	dirt
albumin	dust
hair	carbons

CS- 100 is a very versatile product. It can be used as a steam cleaning compound, motor cleaner, or added to tray wash cleaning solutions. It is excellent for applying through central high pressure systems using hot or cold water. Hot water activates product and aids in hard cleaning problems. CS-100 is also an excellent floor stripper and concrete or on brick cleaner where acids cannot be used.

DIRECTIONS FOR USE

Shake well before use.
CASCO CS-100 should be diluted with water at the following rates depending on need:

dust-light soil	1:123
medium soils	1:50 to 1:20
heavy dirt, blood, albumin protein, mud, oil, grease, animal fats, down, feathers, manure, hair stripping, carbon removal, heavy or baked on soils	1:10 to 1:5

Apply cleaning solution to surface by spraying, mopping, dipping or hand cloth wiping. Cleaning action is increased by agitation. Hot water solution aids in the speed of cleaning many problem areas. After debris is loosened, surface should be rinsed with clear water. Repeat procedure if necessary to thoroughly clean surfaces.

All responsibility for the proper use, storage, and handling of this product is the responsibility of the buyer. Casco Products Company, Inc. makes no other claims or warrantees, expressed or implied.

This product may be used in non-food processing areas of USDA inspected establishments.
