Solid Color Safe Bleach

CLASSIFICATION

Super Concentrated Solid Laundry Destainer

PRODUCT DESCRIPTION

Provides color-safe laundry destaining in a stable solid formula. Ideal for shirt laundries and other applications where destaining of fabrics that are incompatible with chlorine is mandatory. Especially effective in alkaline environments, Solid Color Safe Bleach encourages combining the detergent and bleach baths to increase laundry productivity and reduce labor, energy and water costs. This product is Green Seal™ (GS-51) certified[1].

USE

FOR INDUSTRIAL USE ONLY
DO NOT MIX WITH ANYTHING BUT WATER
STORE IN A DRY PLACE
DIRECTIONS FOR USE
For use with an approved Ecolab Solid Laundry Dispenser – see your local Ecolab Sales Representative for assistance. To refill dispenser, remove plastic film from bleach by peeling off the label. Open the lid on the product guide and insert bleach block. Close product guide lid and discard plastic film.

Dose Recommendation
Low: 60g/cwt
Medium: 90g/cwt
High: 120g/cwt
Dose applicable in hard or softened water. Product to be used with multicomponent solid program line. Washing at a temperature of 140°F - 180°F (60°C - 80°C) is required for optimal performance. For max efficiency of Laundry Program always wash full loads.

Freeze/Thaw Restrictions: No

PHYSICAL & CHEMICAL PROPERTIES

Appearance: Solid
Color: White
Odor: Odorless
pH: 10.2 - 11.2, 1%

Ingredients:

Sodium carbonate	497-19-8
Sodium carbonate peroxide	15630-89-4
Sodium chloride	7647-14-5
C_{12}-C_{14} pareth-7	68551-12-2
Sodium polyacrylate	9003-04-7
Aqua	7732-18-5
PEG 400	25322-68-3
Sodium metasilicate	6834-92-0

No fragrance added

%P: Formula ingredients contain no phosphorus

PACKAGING & PRODUCT NUMBERS

Size	Product Number
2 - 1.36 KG (3 LB)	**6101753**

1 - This product meets Green Seal™ Standard GS-51 based on effective performance, concentration of product, minimized/recycled packaging, and protective limits on human & environmental toxicity. Solids have alternate thresholds for acute toxicity and skin/eye damage, and added requirements for packaging and labeling. GreenSeal.org
