Buckeye®

SANI CARE

QUAT 256™

Buckeye SANICARE QUAT 256 multi-purpose, neutral pH germicidal detergent and deodorant. For use as a disinfectant in hospitals, nursing homes, schools, colleges, universities, commercial and institutional institutions.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. See original container label for full instructions and caution statements.

Remove heavy soil deposits from surface. Then thoroughly wet surface with a use-solution of 1/2 ounce of the concentrate per gallon of water or equivalent (use 2oz per gallon of water to kill Adenovirus Type 7.) Let solution remain on surface for a minimum of 10 minutes. Rinse or allow to air dry. Rinsing of floors is not necessary unless they are to be waxed or polished. This product is not for use on food contact surfaces. This product is not for use on medical device surfaces.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER. KEEP OUT OF REACH OF CHILDREN

☐ Concentrated Product Sample ☐ Diluted Product

•NOT FOR SALE• _____ DILUTION

Wear protective eyewear (goggles, face shield or safety glasses), protective clothing and protective gloves (rubber or chemical resistant). Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

For medical emergencies only call 800-303-0441. Outside North America call 651-632-8956.

CONTAINS: Water, Didecyl dimethyl ammonium chloride CAS #7173-51-5, Dimethyl benzyl ammonium chloride CAS #68424-85-1, Octyl dimethyl amine oxide CAS #2605-78-9, Tetrasodium EDTA CAS #64-02-8, and Ethanol AS #64-17-5.
