Jungle Jake® provides heavy-duty cleaning without harsh chemicals. Jungle Jake is safe for you and safe to use on all washable surfaces, including metals, plastics, ceramics, fabrics, marble, painted surfaces, and cement.

Jungle Jake® effectively removes oils, dirt, grease, grime, tar, rubber marks, asphalt, other soils, waxes, silicone sealant, inks, coffee, and blood. You can apply **Jungle Jake®** with several methods including carpet cleaners, pressure spray units, parts cleaners, sprayers, floor scrubbers, and manual hand washing.

Personal Protective Equipment: Wear protective gloves. Wear protective eyewear.

Unused Product Disposal: Unused product or its solutions may be poured down the drain. Never pour unused product or its solutions down an outdoor drain.

Improper dilution or improper use of this product may result in skin and eye irritation, damage to surfaces and unsatisfactory cleaning performance.

Pack Recycling: Empty packs should be rinsed out with cold water and then placed for recycling where accepted.

Recommended Dilution Ratios: (Jungle Jake® to water)

Full Strength (for heavy deposits):
- engines
- driveway spot cleaning
- machinery
