Bio-Active Plus is perfect for institutional kitchens, restaurants, food processing plants, schools, and businesses. Use **Bio-Active Plus** to mop floors around urinals and toilets, locker rooms, dumpsters, kennels – wherever persistent odors are a problem. **Bio-Active Plus** uses nature's own cleaning agents to rid grease, waste, and odors from floors, surfaces, and drains. With regular use, floors, surfaces, and drains are kept clean and odorfree. **Bio-Active Plus** is safe to use and is safe for the environment.

Directions

For Mopping: Mix the contents of one pack with 2 gallons (7.5 L) of water. Do not rinse

For Spray Cleaning: Mix each pack with 1 quart (1 L) of water.

For Drain Maintenance: Mix each pack with 2 quarts (2 L) of water. Add the proper dosage of ready-to-use solution.

Ingredients

Bio-Active Plus is a blend of cleaning surfactants solvents, bacterial strains, and a multiple enzyme system which cleans and breaks down grease, fats, and other complex organic material
naturally.

Personal Protective Equipment: Wear protective gloves. Wear protective eyewear.

Unused Product Disposal: Unused product or its solutions may be poured down the drain. Never pour unused product or its solutions down an outdoor drain.

Improper dilution or improper use of this product may result in skin and eye irritation, damage to surfaces and unsatisfactory cleaning performance.

Pack Recycling: Empty packs should be rinsed out with cold water and then placed for recycling where accepted.
