A/C COIL CLEAN

- Excellent for Indoor & Outdoor
- High Foaming
- Deodorizing
- Money Saving Concentrate
- +/- Neutral pH

AVAILABLE SIZES:
Quarts
One Gallon
Five Gallon Pail
Fifty-Five Gallon drum

DESCRIPTION:
Neutral Coil Clean is a concentrated safe cleaner that can be used on any surface of an air conditioning system. Will effectively foam away stubborn deposits from all parts of unit. It is fast, effective, and easy to use.

DIRECTIONS:
Dilute product concentrate with up to 4 parts water. Apply to air intake side of coil with air flow on (causing complete evaporator coil cleaner penetration). If not practical to apply with air flow on, saturate accessible coil areas and turn on air as soon as possible to distribute cleaner to all parts of coil. It is not necessary to rinse cleaner after application, all refuse will drain as condensate.

FOR CLEANING INSIDE OR OUTSIDE;
CONDENSERS, EVAPORATORS, FAN BLADES,
BLOWERS, ELECTRONIC FILTERS, AIR DUCTS,
GRILLS AND PERMANENT FILTERS.

SPECIFICATIONS:
Appearance.....Green
Fragrance.....Mild
pH.....9
Flash Point.....None
Solvents.....Yes
Prod. code#.....5892
