Pine Oil

DIRECTIONS:
TO CLEAN- Floors, walls woodworks, scrub all parts well with product diluted 60 ounces water to 2 ounces product . Allow to remain on surface at least 15 minutes.
LAUNDRY- Washing sheets, towels and the like use six ounces to the rinse water, it will clean as well as impart a nice clean fresh odor to linens.
FLOORS-- Use 2 ounces to the gallon of water for mopping tile and linoleum floors, also plain wood floors.
ODORS-- Mix four ounces to the gallon of water to wash garbage pails, spray around places where there are unpleasent odors. Wash hands with this solution to remove fish odors after the cleaning and handling.
WOODWORK-- Use two ounces to the quart of water to clean woodwork, rubbing with a soft cloth. Apply pure to cloth to remove axle grease, lipstick and paint. Rub well. Sponge off with warm water.
PETS-- For dogs, use two ounces to each gallon of water when bathing dogs. Helps eliminate unpleasant odors.
BATHROOM--Use pure on rag to clean all the fixtures, tub, basin, bowl rinse off afterwards with clean wet cloth. Nothing to scratch the porcelain.
