# RESTROOM CARE

## FLAT URINAL SCREENS

These economical urinal screens are made of pure vinyl and are flexible enough to fit any size urinal. They prevent garbage from blocking drains while effectively deodorizing for up to 30 days. No chipping, cracking or peeling.

**(PACKED 12/CASE)**

**FG 6010– Cherry**
**FG 6011 – Bubble Gum**

- *Fits any urinal.*
- *Fragrances mask odors.*
- *Screen traps debris.*

## URINAL SCREENS WITH ENZYME BLOCKS

These screens feature a raised holder to keep the deodorant block drier, thus lengthening block life. Screens are made from flexible, form fitting plastic with "break-off" hooks for easy, sanitary removal. Deodorant blocks are made from extruded odor control material. Each block contains over 3 billion enzyme-producing biocultures that destroy odor-producing organic materials. Drains remain open and free flowing.

- *Raised block, longer life.*
- *Billions of active biocultures in every block.*
- *Large screen covers most drains.*

**(PACKED 12/CASE)**

**FG 2010 – Green Apple**
**FG 2020 – Cherry**
**FG 2030 – Fresh-n-Clean**

**PRIVATE LABEL**

**FG 2015 – Green Apple**
**FG 2025 – Cherry**
**FG 2035 – Fresh-n-Clean**

## TOILET RIM CAGES WITH ENZYME DEODORANT STICKS

These uniquely designed rim cages provide a continual blue cleaning solution that provides pleasant fragrance to the surrounding area. The reservoir design completely eliminates unsightly blue drips. The surfactant rim stick contains enzyme-producing, odor-eating biocultures that digest organic materials and keep drains running freely. Safe for septic tanks and enhances septic performance!

**FG 3010 (PACKED 12/CASE) or FG 3110 (PACKED 24/CASE) – Green Apple**

**FG 3020 (PACKED 12/CASE) or FG 3120 (PACKED 24/CASE) – Fresh-n-Clean**

- *Metered value eliminated dripping on toilet bowl.*
- *Billions of active biocultures in each block.*
- *Fits most commodes.*
- *Keeps commodes clean and smelling fresh.*
