PRODUCT DETAILS

Clorox® Hand Sanitizer is formulated with ethyl alcohol to provide broad-spectrum antimicrobial activity to kill more than 99.999% of germs in seconds. Its premium emolliments help keep hands soft instead of leaving them sticky or greasy as gel or foam sanitizers may. The hand sanitizer from Clorox Commercial Solutions® is great for use in healthcare, foodservice, and educational settings. This 1-liter refill is designed for use with touchless Clorox Hand Sanitizer Dispenser model 30242, available separately.
