PRODUCT DETAILS

An EPA-registered disinfectant, Pine-Sol® Multi-Surface Cleaner kills germs and bacteria as it deep cleans and deodorizes. The versatile cleaner penetrates to break down the toughest soils and quickly remove grease and grime without leaving a sticky residue. Its low pH formulation with pine essential oil and powerful surfactants is particularly good to clean and remove grease from quarry tile in commercial kitchens.
The product, from Clorox Commercial Solutions®, eliminates odor-causing bacteria and leaves a long-lasting, pleasant, fresh, clean pine scent. The cleaner and disinfectant is also effective on a wide variety of surfaces, including floors, counters, and sinks, in offices, day-care centers, restaurants, schools, and other commercial kitchens.
