Heavy Duty
Floor Finish Stripper

Highly Effective Heavy Duty Finish Floor Stripper

1. **Fast and consistent stripping to minimize the labor and time involved in stripping**
   - Unbeaten by Competitive Strippers, including:
     - Conventional Strippers – Sealed Air ProStrip, Butchers Crowbar
     - Highly Alkaline Strippers – J-D Bravo, J-D Freedom

2. **Solvent formula begins to break down finish polymers as soon as it is laid down, consistently removing finish in any area with no spots left behind**
   - Very effective for tough strip jobs with multiple coats of finish
     - ***Proven to remove up to 10 coats of finish***
   - Easy to dilute in water and soluble in all proportion

3. **Low-odor**
   - Mildly scented with no irritating vapors
   - ***Exceeds GS-40 Standards:***

	GS-40 Std	New Stripper
Max. VOC for light to med. buildup	3%	1%
Max. VOC for heavy buildup	7%	2%

4. **Not formulate with butyl or ammonia**
   - Does not contain ***problematic*** ingredients – Butyl-Free formula
     i. Does not contain butoxyethanol, dibutyl pthalates, alkylphenol ethoxylates (including no NPEs), phosphates
     ii. Product Ingredients are Biodegradable
