Tannin Spot

Carpet Spot Remover

An acid-fortified carpet spot cleaner formulated to attack coffee spots, tannin-based spots, rust, and oxidized organics in carpets and upholstery.

- Designed for effective spot treatment of carpets, upholstery, and water-safe fabrics.
- May also be applied to carpet to remove alkaline browning.
- Pleasant fragrance leaves the area smelling fresh.
- Safe for 5th Generation carpet (today's dye-stable nylon carpet) and for any water-safe fabric.

Formula Features:

- Acid Fortified to Remove Browning, Coffee, and Tannin-Based Spots
- Clean, Fresh Fragrance
- Neutral Product Color

Applications:

- Designed for effective spot treatment of carpets, upholstery, and water-safe fabrics to remove browning or tannin-based spots.
- For best results apply directly to affected area, lightly agitate, and blot.
- Do not use as spray cleaner, due to risk of airborne enzymes

Special Usage Notes:

- Do not use as a spray.
