Answer Solutions Specification Guide

Availability

Electronic price list updated with release 180.F (U.S.) and 146.F (Canada), dated February 16, 2015.

Spec News is available on village.steelcase.com. Search AdStock and download the current release's Spec News.

View or download Steelcase Specification Guides at http://www.steelcase.com/en/resources/design/spec-guides/pages/specguides.aspx.

Transitional products in this specification guide are **maintained for existing customers only** and are likely to be phased out over time. These products are indicated with a T. Products that are scheduled to be culled are indicated with an X, followed by the last order entry date.

This specification guide contains multiple Steelcase and Turnstone product lines which are designed into one specification guide for your convenience. Note that each product may be subject to different pricing terms and conditions.

▶For a list of all trademarks, refer to the last page of this specification guide.
© 2015 Steelcase Inc.

For Canadian Pricing
Calculate in the following order to avoid rounding errors:
- Multiply the base price and each option by 1.09.
- Round each to the nearest dollar.
- Add base and options for total list price.

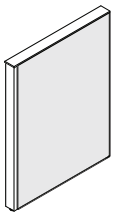
Fabric Covered Panel Skins

For Panel Buildups



Tip: 72"W fabric-covered panel skins accommodate fabric in the horizontal direction only.

Tip: For further information about fabric direction, see page 713.

Tip: 18"H, 30"H, and 42"H skins only work on junctions manufactured on or after October 10, 2011.

Standard Includes	Required to Specify
▶ Need help? Product details, page 107	1 Style number
• Tackable acoustical panel skin, fabric direction with horizontal application, if selected: fabric price group 1	2 Paint color number for skin surface.
• Performance tackable acoustical panel skin, fabric direction with horizontal application, if selected: fabric price group 1	3 Options, if selected (see below)
	▶ See *Surface Materials,* page 708.

Options	U.S. Price 12"H and 18"H	24"H and 30"H	36"H to 60"H	Required to Specify

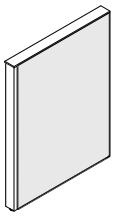
Fabric Covered Panel Skins To The Floor

For Panel Buildups



Tip: Remember to omit base trim(s) on a horizontal frame package when using a skin to the floor.

Tip: 48"H and 60"H fabric covered panel skins accommodate fabric in the vertical direction only.

Tip: 72"W fabric covered panel skins accommodate fabric in the horizontal direction only.

Tip: For further information about fabric direction, see page 713.

Tip: 30"H and 42"H skins only work on junctions manufactured on or after October 10, 2011.

Tip: When specifying skins, the total skin height will be 6" less than the panel height. When ordering skins to the floor an F suffix will be added to the end of the style number for the skin in the lowest position on the panel. The total skin height will still be 6" less than the panel height.

▶See *Panel Buildups,* page 12, for more information.

Standard Includes	Required to Specify
▶Need help? Product details, page 107 • Panel skins, fabric direction application, if selected: fabric price group 1	1 Style number 2 Fabric color number for skin surface 3 Options, if selected (see below) ▶See *Surface Materials,* page 708.

	Options	U.S. Price 24" and 30"H	U.S. Price 36" to 60"H	Required to Specify

Wood To The Floor Skin Sets

Tip: Wood skin sets should be selected when grain pattern alignment of all segmented skins on a frame is desired.

Tip: Remember to omit base trim(s) on horizontal frame package when using a skin to the floor.

Tip: When specifying skins, the total skin height will be 6" less than the panel height. When ordering skins to the floor an F suffix will be added to the end of the style number for the skin in the lowest position on the panel. The total skin height will still be 6" less than the panel height.
▶See *Panel Buildups,* page 12, for more information.

Glass Windows

For Panel Buildups

Tip: Remember to specify spanning window in-line supports if window is spanning two or more panels.

Tip: When specifying a window span over two or more panels, it is recommended that the same size spanning top cap also be specified for use with the window.

Tip: When ordering a 72"W or wider single pane window kit to be used with steel or fabric skins located directly below it, two clips (T521328SR) should be ordered and installed.

	Standard Includes	Required to Specify
▶Need help? Product details, page 118	• Single-pane glass window, if selected: 6500 Clear Glass • Double-pane glass window, if selected: 6530 Frosted Glass • Frame: paint	1 Style number 2 Paint color number for frame 3 Options, if selected (see below) ▶See *Surface Materials,* page 708.

	Options	U.S. Price	Required to Specify
Surface Materials	**Frame**		
	• Paint price group 1	No cost	Specify paint color number.
	• Paint price group 2	+$ 22	Specify paint color number.
	• Paint price group 3	+$ 38	Specify paint color number.
	Single-pane glass window		
	• Frosted glass in 12"H window	+$ 55	Specify *with 6530 Frosted Glass.*
	• Frosted glass in 18"H window	+$ 83	Specify *with 6530 Frosted Glass.*
	• Frosted glass in 24"H window	+$109	Specify *with 6530 Frosted Glass.*

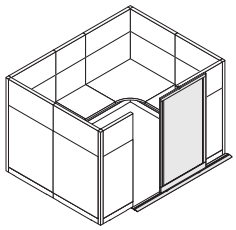
Sliding Panel Doors



Tip: The sliding door is located outside of the panel system when installed in the standard position.

Tip: The standard door is handed and non-locking. When a lock option is specified, the lock will be on the trail end of the door. The illustration above shows a left-handed sliding door. If a lock option is specified, the lock will be on the right (trail) side of the door.

Tip: Width of host panel should always be equal to the width of sliding door.

Tip: Height of host and receiving panels must match height of door.

Tip: Remember to specify lock cylinder and key.
▶ *Lock Cylinders*, page 726.

Tip: When attaching the sliding door to an Answer panel, a junction stabilizer bracket is available for added rigidity to the host panel. If a host and/or receiving panel run exceeds 4', a junction stabilizer bracket must be applied to the door end of the host and/or receiving panel run. On long runs, apply a junction stabilizer bracket or perpendicular panel every 8'.
▶ Page 403

Junction Tall Sleeve

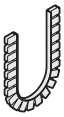
Standard Includes	Required to Specify
• Package of ten sleeves: red only	Style number

▶ Need help? Product details, page 168

Specification Information

Style Number	U.S. Price
TS7JTSLVE	$65

Lay-In Junction Cable Sleeve



Standard Includes	Required to Specify
• 5' roll of lay-in junction cable sleeve	Style number

▶ Need help? Product details, page 168

Specification Information

Style Number	U.S. Price
TS7LSLVE	$93

Feed-Through Horizontal Cable Sleeves

Standard Includes	Required to Specify
• Package of 25: black plastic	Style number

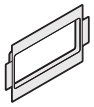
▶ Need help? Product details, page 168

Specification Information

Style Number	U.S. Price
TS7FSLVE	$93

For Canadian Pricing
Multiply U.S. Price by the Canadian price factor.
▶ See page 1 for details.

Grommets for Vertical Junctions (manufactured prior to October 2011) and Horizontal Bars



Tip: Grommets can be used on power trays and cable trays.

	Standard Includes	Required to Specify
▶Need help? Product details, page 169	• Package of 25: black plastic	Style number

Specification Information

Style Number	U.S. Price
TS7HSLVE	$95

Grommets for Junction

	Standard Includes	Required to Specify
▶Need help? Product details, page 169	• Package of 25: black plastic only	Style number

Specification Information

Style Number	U.S. Price
TS7JSLVE	$95

Consolidation Point Kit

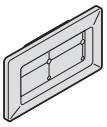
	Standard Includes	Required to Specify
▶Need help? Product details, page 160	• Back panel: black paint • Mounting hardware • Two pairs of consolidation point mounting brackets: black only • Two cable managers: black only	Style number

Specification Information

Style Number	U.S. Price
TS7CPK	$337

For Canadian Pricing
Multiply U.S. Price by the Canadian price factor.
▶See page 1 for details.

Series 9000 Duplex Cable Grommets



Standard Includes	Required to Specify
▶Need help? Product details, page 169 • Carton of five cable grommets: plastic	1 Style number 2 Plastic color number for grommets: 6000 Black 6001 Coffee 6612 Grey V2 Ⓔ 6615 Grey V5 6655 Warm White 6697 Fog

Specification Information

Style Number	U.S. Price
98863	$25

Consolidation Point Cable Managers

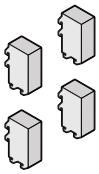
Tip: Order these cable managers to meet additional cabling needs when necessary.

Standard Includes	Required to Specify
▶Need help? Product details, page 161 • Two cable managers: black only	Style number

Specification Information

Style Number	U.S. Price
TS7CPCM	$57

Consolidation Point Mounting Brackets



Tip: Order these mounting brackets to meet additional cabling needs when necessary.

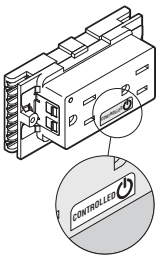
Standard Includes	Required to Specify
▶Need help? Product details, page 160 • Carton of two pairs of mounting brackets: black only	Style number

Specification Information

Style Number	U.S. Price
TS7CPMB	$62

For Canadian Pricing
Multiply U.S. Price by the Canadian price factor.
▶See page 1 for details.

Controlled Receptacle Stickers



Tip: When tying into the building management system, receptables must still indicate that they are controlled.

	Standard Includes	Required to Specify
▶Need help? Product details, page 168	• Stickers, quantity 40	Style number

Specification Information

Style Number	U.S. Price
TS7CNTSTKR	$38

For Canadian Pricing
Multiply U.S. Price by the Canadian price factor.
▶See page 1 for details.

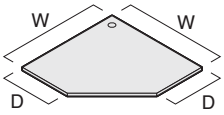
TS Series Straight Corner Worksurfaces



Tip: Standard worksurfaces are 1 3/16" thick. However, the actual thickness between Low-Pressure Laminate (LPL) and High-Pressure Laminate (HPL) worksurfaces is slightly different. It is recommended that only worksurfaces of the same type are specified in a given application. In addition, there may be sheen or texture differences when using LPL and HPL in adjacent applications. Please use caution when mixing and matching different worksurface types.

	Standard Includes	Required to Specify
▶Need help? Product details, page 176	• 1 3/16"-thick worksurface: Low-Pressure Laminate or "High-Pressure Laminate • 3 mm radius profile edge on user's side: plastic • Side and back edges: plastic default to match user's side • Grommet: black plastic only • Corner bracket: black paint only	1 Style number 2 Low-Pressure Laminate or High-Pressure Laminate color number for worksurface, as appropriate 3 Plastic edge band color number for worksurface 4 Options, if selected (see below) ▶See *Surface Materials,* page 708.

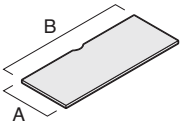
Straight Worksurfaces

High-Pressure Laminate or Wood Veneer



Tip: Supports for freestanding and panel-mounted applications must be specified separately.

Tip: Long worksurface spans may require additional support, reinforcing channels allow for unsupported spans greater than 54".
▶ See understanding section for details, page 208

Premium Wood Pricing: *For Premium wood 2 or Premium wood 3 pricing, please refer to the electronic catalog or SmartTools.*

Tip: Worksurfaces with personal caddy do not require an additional reinforcing channel but may require additional support for longer spans.
▶ See page 210

Tip: To specify 3 mm edge profile, no suffix is required. For all other edge profiles, add a suffix to the style number. (For example, US1830 becomes US1830SW for wood with square edge profile.)

Tip: Power and data access door and tray is ordered separately to be used with cutout.
▶ See page 540
▶ See page 210 for worksurface size availability matrix.

Tip: Personal caddy is ordered separately to be used with cutout.
▶ See page 210

Exception: 48"W worksurface with soft edge used with FrameOne post leg has some limitations.
▶ See page 211 for connections.

For Canadian Pricing
Multiply U.S. Price by the Canadian price factor.
▶ See page 1 for details.

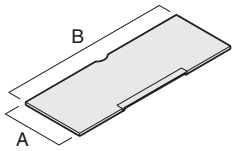
Straight Worksurfaces with Soft Edge Profile

High-Pressure Laminate or Wood Veneer



Tip: Supports for freestanding and panel-mounted applications must be specified separately.

Premium Wood Pricing: *For Premium wood 2 or Premium wood 3 pricing, please refer to the electronic catalog or SmartTools.*

Tip: Long worksurface spans may require additional support, reinforcing channels allow for unsupported spans greater than 54".
▶ *See understanding section for details, page 208*

Tip: Worksurfaces with personal caddy do not require additional reinforcing channel but may require additional support for longer spans.
▶ *See page 210*

Tip: To specify 3 mm edge profile, no suffix is required. For all other edge profiles, add a suffix to the style number. (For example, US2448S becomes US2448SWS for wood with square edge profile.)

Tip: Power and data access door and tray is ordered separately to be used with cutout.
▶ *See page 210 for worksurface size availability matrix.*

Tip: Personal caddy is ordered separately to be used with cutout.
▶ *See page 210*

Exception: Worksurfaces with personal caddy have leg restrictions.
▶ *See page 210 for connections*

Tapered Worksurfaces with Soft Edge Profile

High-Pressure Laminate

Tip: Supports for freestanding and panel-mounted applications must be specified separately.

Tip: Long worksurface spans may require additional support, reinforcing channels allow for unsupported spans greater than 54".
▶ *See understanding section for details, page 208*

Tip: Power and data access door and tray is ordered separately to be used with cutout.
▶ *See page 540*

Standard Includes	Required to Specify
▶ Need help? Product details, page 206	1 Style number 2 High-Pressure Laminate color number for worksurface 3 Plastic color number for front edge on laminate worksurface 4 Options, if selected (see below) ▶ See *Surface Materials,* page 708.
• Worksurface: High-Pressure Laminate • Laminate worksurface: - Plastic antimicrobial soft edge profile centered on worksurface - Plastic 3 mm edge profile on balance of front edge - Plastic flat profile on side and back edges • Cable scallop on back edge	

	Options	U.S. Price	Required to Specify

Extended Corner, Straight-Front Worksurfaces

High-Pressure Laminate

Tip: Illustration above shows a left-hand worksurface.

Tip: Supports must be specified separately, including side support brackets for rear corner support in panel-mounted applications

Tip: Long worksurface spans may require additional support, reinforcing channels allow for unsupported spans greater than 54".
▶ See understanding section for details, page 208

	Standard Includes	Required to Specify
▶ Need help? Product details, page 206	• Worksurface: High-Pressure Laminate • Laminate worksurface: –Plastic 3 mm edge profile or plastic P-edge profile on front edge –Plastic default flat profile on side and back edges • Cable scallops on back edges	1 Style number with appropriate edge profile suffix **P** Laminate with plastic P-edge ▶ See edge profiles below. 2 High-Pressure Laminate number for worksurface 3 Plastic color number for front edge on laminate worksurface 4 Options, if selected (see below) ▶ See *Surface Materials,* page 708.

	Options	U.S. Price	Required to Specify
Surface Materials	**High-Pressure Laminate worksurfaces**		
	• Open Line laminate	+$65 plus cost of laminate	▶ See *Surface Materials Reference Manual.*

Premium Wood Pricing: *For Premium wood 2 or Premium wood 3 pricing, please refer to the electronic catalog or SmartTools.*

Tip: Bullet peninsula worksurfaces are recommended for use with other curved-front shapes such as corner, curved-front worksurfaces.
▶ Page 521

Tip: The same bullet peninsula worksurfaces can be used with either worksurfaces with ½" cord drop or with full depth worksurfaces.

Tip: To specify 3 mm edge profile, no suffix is required. For all other edge profiles, add a suffix to the style number. (For example, UPBC3060 becomes UPBC3060SW for wood with square edge profile.)

	Standard Includes	Required to Specify

	• Full-fill finish	Prices at right	Specify full-fill finish number.
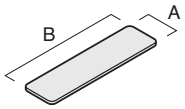
	Top caps on laminate worksurfaces for use with Answer panels		
	• Wood	+$111	Specify *with wood top cap* and select wood color number.
	• Customiz stain on wood	No cost	Specify *with Customiz stain.*
Change-of-Height Cable Management Top Cap	**For use with Answer panels with square trim**		
	• Change-of-height at both ends, cable management	+$ 6	Specify *with change-of-height, both ends cable management.*

Premium Wood Pricing: *For Premium wood 2 or Premium wood 3 pricing, please refer to the electronic catalog or SmartTools.*

Tip: To specify 3 mm edge profile, no suffix is required. For all other edge profiles, add a suffix to the style number. (For example UTR1636TA becomes UTR1636TASA for wood with square edge profile.)

For Canadian Pricing
Multiply U.S. Price by the Canadian price factor.
▶ See page 1 for details.

Tip: To specify 3 mm edge profile, no suffix is required. For all other edge profiles, add a suffix to the style number. (For example, UTR1636A becomes UTR1636ASW for wood with square edge profile.)



Tip: Actual width of Answer transaction worksurface using thin trim is 2" shorter than the nominal planning dimension to accommodate change of panel height applications.

Tip: Actual width of Answer transaction worksurface, using square and oval trim, is 7" shorter than the nominal planning dimension to accommodate change of panel height applications.

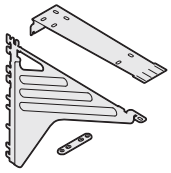
Panel-Mounted Universal Systems Worksurface Supports

For Use with Answer Panels

Cantilevers



Tip: Answer panel junctions can accommodate only one cantilever at a seam.

Tip: 30"D straight and transition cantilevered worksurfaces require additional floor support along the front edge, such as a pedestal, end panel, post leg, side support bracket, or an adjacent return worksurface.

Standard Includes		Required to Specify
▶ Need help? Product details, page 180	• Cantilever: paint • Tie plate • Attachment hardware	1 Style number 2 Paint color number for cantilever ▶ See *Surface Materials,* page 708.

Specification Information

Style Number	U.S. Price
UCANT	$100

On-Module Cantilever

Side Support Brackets

Tip: Side support bracket includes a pair of handed brackets, only one of which is required for rear corner support of panel-mounted corner worksurfaces. Specify one for every two corner worksurfaces in on-module applications. Order an additional supply for off-module fin wall applications.

Standard Includes		Required to Specify
▶ Need help? Product details, page 180	• Pair of handed side support brackets: black paint only • Attachment hardware	Style number

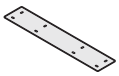
Specification Information

Style Number	U.S. Price
USSBR	$36

For Canadian Pricing
Multiply U.S. Price by the Canadian price factor.
▶ See page 1 for details.

Panel-Mounted Universal Systems Worksurface Supports for Use with Answer Panels, continued

Support Plate



Tip: Support plate can also be used in freestanding applications.

Standard Includes	Required to Specify
▶ Need help? Product details, page 180 • Support plate: black paint only • Attachment hardware	Style number

Specification Information

Dimensions	Style Number	U.S. Price
14"D	**TS714WSP**	$64
20"D	**TS720WSP**	$64

▶ Need help? Product details, page 150	• Port with two electrical outlets: black plastic only • 6' power cord with plug rated at 15 amps: black plastic only • Adapters for two customer-supplied data couplers/jacks	Style number

Specification Information

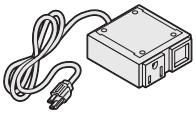
Dimensions D	W	H	Style Number	U.S. Price
4¼"	4¼"	4⁵⁄₁₆"	**PTRSGB1**	$326

For Canadian Pricing
Multiply U.S. Price by the Canadian price factor.
▶ See page 1 for details.

Power/Data Boxes

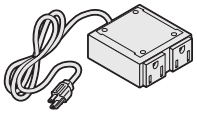
Standard Includes	Required to Specify
▶ Need help? Product details, page 150 • Power/data box • Power/power box • Data/data box	Style number

Specification Information



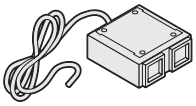
Power/Data Box

Dimensions D	W	H	Style Number	U.S. Price
3"	3"	1"	**AWVBC**	$225



Power/Power Box

Dimensions D	W	H	Style Number	U.S. Price
3"	3"	1"	**AWVBP**	$225



Data/Data Box

Dimensions D	W	H	Style Number	U.S. Price
3"	3"	1"	**AWVBD**	$225

Field-Installed Round Grommet

Tip: Grommet AWAG2 is for use on worksurfaces only.

Standard Includes	Required to Specify
▶ Need help? Product details, page 150 • Grommet: paint or metal • Installation instructions	1 Style number 2 Paint or metal color number ▶ See *Surface Materials,* page 708.

Specification Information

Dimensions D	W	Style Number	U.S. Price
2½"	2½"	**AWAG2**	$65

For Canadian Pricing
Multiply U.S. Price by the Canadian price factor.
▶ See page 1 for details.

Universal Worksurface Wire Managers

	Standard Includes	Required to Specify
▶ Need help? Product details, page 150	• Set of six field installed worksurface wire managers: plastic • Attachment hardware	1 Style number 2 Plastic color number for worksurface wire manager: 6000 Black 6009 Arctic White 6052 Milk 6053 Seagull 6249 Platinum Solid 6654 Sand 6695 Midnight 6697 Fog

Specification Information

Style Number	U.S. Price
TS7WWM	$132

Vertebral Cable Riser and Extension

	Standard Includes	Required to Specify
▶ Need help? Product details, page 150	• Vertebral cable riser: black plastic only • Attachment hardware • Floor plate: Metallic Aluminum only	Style number

Specification Information

Length	Style Number	U.S. Price
Vertebral Cable Riser		
31½"	**DAVC**	$128
Vertebral Cable Riser Extension		
15¾"	**DAVCE**	$ 37

Tip: 15¾"L cable riser is an extension only. Extension does not include attachment hardware or floor plate.

For Canadian Pricing
Multiply U.S. Price by the Canadian price factor.
▶ See page 1 for details.

Skeleton Bone Wire Managers

Note: This product is Turnstone, **NOT** Steelcase. It is included here to simplify your planning. Remember that Steelcase has different pricing terms than Turnstone products.

Standard Includes	Required to Specify
▶ Need help? Product details, page 150 • Wire manager: black plastic • Attachment hardware	Style number

Specification Information

Dimensions D	W	H	Style Number	U.S. Price
Skeleton Bone Wire Manager				
1½"	1⅜"	38"	**TS5SKLBNE**	$165
Skeleton Bone Wire Manager Extension				
1½"	1⅜"	36"	**TS5SKEXT**	$140

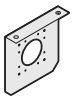
Cable and Fiber Reels

Standard Includes	Required to Specify
▶ Need help? Product details, page 150 • Package of four reels: black plastic only	Style number

Specification Information

Style Number	U.S. Price
98766	$130

Termination Plate



Standard Includes	Required to Specify
▶ Need help? Product details, page 150 • Termination plate: black paint only	Style number

Specification Information

Dimensions D	W	H	Style Number	U.S. Price
¾"	7⅛"	7⅛"	**98765**	$19

For Canadian Pricing
Multiply U.S. Price by the Canadian price factor.
▶ See page 1 for details.

Cord Reels

	Standard Includes	Required to Specify
▶ Need help? Product details, page 150	• Carton of six cord reels: black paint only	Style number

Specification Information

Style Number	U.S. Price
98767	$55

Cable Storage Tray

	Standard Includes	Required to Specify
▶ Need help? Product details, page 150	• Cable storage tray: black paint only	Style number

Specification Information

Dimensions D	Dimensions W	Dimensions H	Style Number	U.S. Price
2"	24"	2½"	**98768**	$43

Wire Guide Clips

	Standard Includes	Required to Specify
▶ Need help? Product details, page 150	• Carton of 20 adhesive-backed wire guide clips: black plastic only	Style number

Specification Information

Style Number	U.S. Price
32WCP	$30

For Canadian Pricing
Multiply U.S. Price by the Canadian price factor.
▶ See page 1 for details.

Wire Clips

Standard Includes		Required to Specify
▶ Need help? Product details, page 150	• Carton of six: black plastic only • Foam tape • Mounting screws	Style number

Specification Information

Style Number	U.S. Price
999CHT	$54

Velcro Wire Clips

Tip: Attaches under worksurfaces with screws or around leg.

Note: This product is Turnstone, **NOT** Steelcase. It is included here to simplify your planning. Remember that Steelcase has different pricing terms than Turnstone products.

Standard Includes		Required to Specify
▶ Need help? Product details, page 150	• Package of six wire clips: velcro • Attachment hardware	Style number

Specification Information

Dimensions D	Dimensions W	Dimensions H	Style Number	U.S. Price
½"	8"	½"	**TS5LEGCLP**	$47

Wire Manager

Standard Includes		Required to Specify
▶ Need help? Product details, page 150	• 25" wire manager with double-sided tape: black plastic	Style number

Specification Information

Dimensions D	Dimensions W	Dimensions H	Style Number	U.S. Price
1"	¾"	25"	**AWVW**	$15

For Canadian Pricing
Multiply U.S. Price by the Canadian price factor.
▶ See page 1 for details.

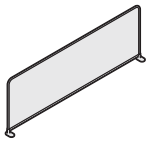
Worksurface Screens

Knit Screens



Tip: Attachment clamps are not included with screens. Clamps must be specified separately.

Standard Includes	Required to Specify
▶ Need help? Product details, page 240	1 Style number
• Screen: knit	2 Color number for knit screen
• Frame and foot: 4799 Platinum only	▶ See *Surface Materials,* page 708.

Specification Information

Width	Style Number	U.S. Price
15"H Knit Screen		
24"	**DALK24**	$219
30"	**DALK30**	$240
36"	**DALK36**	$258
42"	**DALK42**	$278

Divisio Side Screen

Tip: The Divisio side screen can be used on any 3/4"- to 1 1/2"-thick worksurface.

Tip: The Divisio side screen has an overhang of 8". This is important when planning for returns or storage.

Tip: The Divisio side screen weighs approximately 14 1/2 pounds. Take this into consideration when planning for use on Height-AdjusTable worksurfaces.

Tip: The Divisio side screen is intended for use on the front of a worksurface.

Tip: The Divisio side screen does not work on knife edge profiles.

Note: Divisio side screen is included here to simplify your planning. It may have different pricing terms than other products in this specification guide.

Standard Includes	Required to Specify
▶ Need help? Product details, page 242	1 Style number
• Screen: fabric price group A	2 Fabric color number
