GENERAL SPECIFICATIONS:

Table tops specified with the following length dimension will be manufactured and shipped in the following manner:

120" and under	1 piece top
Over 120"	2 piece top

Table tops with length dimensions of 120" and under can be manufactured in two pieces and will include a sub-top if needed. Please specify and add $600 List.

FINISHES:

Arcadia's standard wood finishes encompass a seven-step finishing process culminating with a top coat of water-based conversion varnish. This process results in a semi-filled, open-pore finish on all products.

Full-filled finishes are available at an upcharge which can vary from 15-20%. Full-filled finishes simply fill in the open pores within the wood itself. In some cases, there may appear to be rubbing or fine abrasion lines in this finish. This is characteristic of the required method of rubbing, not an indication of an inferior finish, and can usually be mitigated by rewaxing the furniture.

Custom finishes are available on our standard veneers and hardwoods. To match a custom finish, please submit a 2" x 3" (minimum size) sample for approval. A factory strike-off will be generated and sent to our customers for final approval. We must receive the customer approved sample at the factory at least 15 working days prior to the scheduled ship date, otherwise the ship date may be delayed by 5-10 working days. For custom wood finishing, please add one-time upcharge of $400 List per color per order for all products unless otherwise specified.

TWO-TONE FINISHES:

For two-tone finishes, please specify color selections and add 10% to List Price.
When two-tone finishes are specified, there will be a 1/16" v-groove reveal between the finishes.

GENERAL CONFERENCE
