Tide Brights + Whites Rescue™

Tide Brights + Whites Rescue™ Color Safe In-Wash Laundry Booster Pacs get clothes up to three shades whiter in one wash*!

Containing unique oxygen bleach technology not found in liquid detergents today, they're formulated to fight dinginess and dullness, and help restore and brighten whites.

Tide Brights + Whites Rescue™ Pacs prevent yellowing by breaking down body soils and residues, so you can be sure your whites stay white, and your colors are kept safe.
