LD-3500

CONCENTRATED BUILT DETERGENT

Product Properties

COLOR:	Clear Blue
ODOR:	Surfactant
VISCOSITY:	50 cps
pH:	14.0
SPECIFIC GRAVITY:	1.14
FOAMING:	Moderate
DETERGENCY:	Excellent

Description

This built detergent provides the answer to tough institutional laundry challenges. Formulated with a high level of surfactant, it prevents soil redeposition and graying, out-performing competitive products. Contains optical brighteners to give brighter colors and brilliant whites. It is formulated only for multi-component automatic dispensing systems where the toughest, most troublesome laundry problems exist and is not recommended for fine or delicate fabrics.

Features...Benefits

Concentrated .....Economical
Contains Optical Brighteners .....Improved Results
Effective Soil Removal ....Labor Saving
"One-Shot" product .....Ease of Use
Buffered Alkaline .....Save Linen Costs

Directions

Place dispenser pickup tube in container. Product will be automatically injected during the wash cycle. Follow instructions on your Laundry Procedures and Drying Guidelines posters. Consult your Service Representative for additional application information.

Safety Information

FOR INSTITUTIONAL AND INDUSTRIAL USE ONLY. NOT FOR CONSUMER USE.
DANGER: Contains Potassium Hydroxide. Harmful if swallowed. Causes severe burns to skin and eyes.
IN CASE OF CONTACT WITH EYES, flush thoroughly with running water before removing contact lenses, if applicable. Follow with a 15 minute flush with running water. Get prompt medical attention.
IN CASE OF CONTACT WITH SKIN, flush thoroughly with running water for 15 minutes. Get medical attention if irritation persists. Wash contaminated clothing before reuse.
IF TAKEN INTERNALLY, DO NOT induce vomiting. Give water or milk. Get immediate medical attention.
