# VOX GLASS TOP CONFERENCE TABLE OPTIONS

Vox Glass Top Conference Tables are the latest introduction to the award winning collection of Vox boardroom furniture.
Available in 3 standard top shapes that include Boat, Rectangular or Super Ellipse in a range of standard sizes that create tables to suit any office environment.

TOP SHAPES AVAILABLE

EDGE PROFILE

Flat Polished Edge Profile
Full Scale

Laminated glass tops are 1/2" thick with a solid opaque white interlayer. Glass types include regular float glass or low-iron (true clear) glass in either satin or polished finishes.

Low iron glass allows the opaque interlayer to maintain its true hue.

Standard sizes range from 36" to 54" wide and 72" to 168" long.

For each table shape there are three different base design options that offer both aesthetic and functional benefits.

Power, data and AV connections are fully integrated in the glass top and are available in a large number of standard or personalized Vox Forum options.

Taper Base – The very thin profile of the Taper base design is ideal for reducing obstruction under a table. Available in polished aluminum or silver metallic paint.

T-Base – The vertical section of this base integrates a wire management channel that can accommodate excess cable and allow the routing of cable to and from the floor. The entire base is available in 5 standard anodized colours.

Duo Base – The design of the Duo base provides the greatest capacity for storing cabling inside the curved leg panels. Base panels are available in a variety of laminates and veneers while vertical aluminum legs are available in 5 standard anodized colours

## NOTES

**PRICES**
All prices are list prices, freight included, blanket-wrapped, dock delivered, from the manufacturing source to any location In the contiguous United States.

Brokerage is paid by Nienkämper for product shipped to the United States.

Due to existing conditions in regard to cost of labor and materials, we reserve the right to change prices without notice.

**TERMS**
Net 30 days from date of invoice to accredited buyers. Two per cent (2%) interest charged monthly on overdue accounts. Deposit of 50% is required with order. Terms will be established upon credit evaluation. Due to delays in processing references, first orders may be treated as C.B.D. orders.

**ORDER CONFIRMATION**
Orders are accepted upon issuance of our order confirmation and are subject to the terms set forth therein; notwithstanding any variance from the terms of the buyer's order form.

Nienkämper is not liable for any delay or failure to deliver caused by labor or transportation difficulties, accidents, acts of God, failure of sources of supply, or other causes beyond our control, and changes will affect the delivery date.

**CHANGE OF ORDERS OR CANCELLATIONS**
Changes or cancellations are subject to our ability to conform. A charge will be levied against cancelled or changed orders based on costs already incurred by Nienkämper. All changes must be in writing and submitted on a revised purchase order. Changes will affect the delivery date.

**STORAGE**
If goods cannot be accepted when ready, we may transfer them to storage (which is to be deemed as delivery for invoice purposes). The customer accepts risks and will be charged at prevailing rates.

**FREIGHT**
Prices include freight charges, blanket-wrapped, dock delivered, from the manufacturing source to any location in the contiguous United States. Packing and/or crating are available, if required, upcharges apply.

**CLAIMS**
All furniture is given to the carrier and signed for in good condition. It is the responsibility of the receiver to sign for the goods in the presence of the carrier and note the condition in which they are received. Freight claims should be filed with the carrier.

**WARRANTY**
There are no express or implied warranties, conditions and obligations of the manufacturer, whether statutory or otherwise that extend beyond the description on the face hereof. Our furniture is made to the highest standard and is warranted free from defects of material and workmanship for five years from the date of delivery. During the warranty period we will repair or replace such merchandise as shall prove to be defective, during normal usage in accordance with manufacturer's specifications. The manufacturer shall not be liable for defect wholly attributable to normal manufacturing process. Replacement or repair of the Product shall be the sole remedy of the Customer, and the manufacturer shall not be liable for any direct, indirect, incidental, or consequential loss or damage suffered by the Customer by reason of any defect in workmanship or manufacture of the Product or inability to use the Product. Moreover, this warranty does not cover accidental damage, abuse, alteration, ordinary wear and tear of Goods, negligence and misuse nor variations over which we have no control such as heat or humidity or damage to which the Goods are connected that is not attributable to the failure of the goods themselves. This warranty is null and void when the product is installed with hardware other than that supplied and/or when installed differently than recommended in the installation guide. Modification to the product or hardware may result in failure of the product and cause damage and/or injury.

**WOOD FINISHES**
Nienkämper offers a wide variety of standard light finishes on cherry, mahogany and figured anagre wood veneers, and a clear natural finish on figured anagre, figured sycamore, maple, bird's eye maple and curly maple.

Light finishes do not mask the grain and other characteristics of each wood species. It is important to understand that pieces of the same type of wood will not look identical when a light finish is used. The appearance of the finish will also depend on the natural color of the veneer. Cherry darkens over time as the wood ages. Pin knots and gum pockets are inherent traits.

Wood is a naturally variable raw material; its variances are not within the furniture manufacturer's control and are therefore not considered defects under this warranty.
