# StainBlaster Power Pak Reclaim Rust Remover

## CLASSIFICATION

Laundry Stain Treatment for Iron and Rust

## PRODUCT DESCRIPTION

The pre-packaged StainBlaster Power Pak Reclaim Rust Remover provides an effective method for on-premise laundries to reclaim a high percentage of metallic-stained fabrics thereby avoiding costly replacements. Colored and white fabrics should not be reclaimed together in the same load due to the prospect of dye transfer.

## USE

**FOR INDUSTRIAL USE ONLY - NOT FOR HOUSEHOLD USE**
**DO NOT MIX WITH ANYTHING BUT WATER**

- Consult your Ecolab Service Specialist for instructions and procedures specific to your operation.
- Use *StainBlaser Power Paks* only for reclaiming stained linen that would otherwise be discarded.
- **DO NOT MIX DIFFERENT COLOR *Power Paks***
- Do not use more or less *Power Paks* than indicated on the use recommendation table.
- Use a 30 minute wash cycle to receive full benefit from the *Power Paks* chemistry.
- Use **at least four rinses** after *Power Paks* processing to avoid linen damage in the dryer.
- Sort linen carefully after processing; return all recovered linen to service.
- Avoid expensive, wasteful rewash; discard or “rag-out” any items that were not recovered.

**Consult your Ecolab Specialist or call 1-800-35 CLEAN (352-5326) for specific use directions, service, or additional information.**
