Oak construction
Exposed edges
Traditional, squared-off top

Not only are these attractive desks sturdy and modern, they have been introduced at an extremely competitive price point, making it easy to provide this as a sleek new option for your students. Find the perfect look for your student rooms with our large variety of options, from maple and oak to a plethora of finishes and laminates. Provide just the standard study desk or upgrade it with options such as open compartment storage, various pedestal options, or one of our many desktop shelving units.

New this year! We now offer our cantilever desks in MINI sizes! This compact design is perfect for a portable workstation in both student rooms and lounges. Students can pull the mini cantilever up to their beds if they need to get away from a traditional desk chair or offer a few of these in student lounges to help facilitate group work!

**You can't get these affordable, eye-catching desks anywhere else. Contact us today to learn more!**
