CASCO

DISINFECTANTS AND CLEANERS

Casco is a leading manufacturer of disinfectants widely used in poultry production, growing operations, hatcheries, feed mills, and processing plants. Casco also manufactures industrial products, including floor strippers, cleaners, and waxes. These products are supplied to commercial, governmental, agricultural, and industrial entities.

CS-100 PLUS

Cleaner - Stripper- Degreaser

CS-100 Plus is a highly concentrated all-purpose cleaner and degreaser. It is designed for use as an aggressive floor stripper or as a heavy duty cleaner. This product is widely used in floor stripping procedures.

The animal and poultry industries use this product as a heavy duty cleaner. It can be used as a steam-cleaning compound, motor cleaner or added to tray wash cleaning solutions.

Hot water activates this product and aids in the cleaning process. CS-100 Plus is a stronger version of CS-100 and is green in color with butyl odor.
