CASCO

DISINFECTANTS AND CLEANERS

Casco is a leading manufacturer of disinfectants widely used in poultry production, growing operations, hatcheries, feed mills, and processing plants. Casco also manufactures industrial products, including floor strippers, cleaners, and waxes. These products are supplied to commercial, governmental, agricultural, and industrial entities.

GLASS CLEANER (RTU)

Glass Cleaner is industrial strength and is very economical to use. This product is designed for use in hospitals, factories, nursing homes, churches, plants, schools, office buildings and other industries where glass cleanliness is environmentally important. Glass Cleaner is a blue liquid with an alcohol odor.

Ready-To-Use - Leaves no film - No streaking
