DESCRIPTION:

Blue Lightning is a premium laundry detergent that is very effective against oils, grease and grime. This product contains water softeners and anti-redeposit agents. This low to medium foam product can also be used effectively as a presoak for stubborn stains and soils. Fortified with a slight lemon scent. Blue Lightening is rapidly biodegradable and contains no phosphates.

Made in Mississippi

DIRECTIONS:

STEP 1: *SORT* - Sort clothes according to amount of soil.

STEP 2: *SORT* - Sort clothes according to colors. Separate dark clothes from whites...

STEP 3: *APPLY* - Apply a liberal amount of Blue Lightning as a prewash to all spots and stains and allow time to work in.

STEP 4: *DETERGENT* - Begin adding water to machine tank. This product is not temperature dependent so either cold or hot water can be used. When sufficient water level has been achieved begin adding 1/4 cup of Blue Lightning to the water level.

STEP 5: *LOAD* - Place clothes into washer machine and begin washing process.

CAUTION:
May cause eye and skin irritation
Contains Synthetic Wetting Agents

Keep out of reach of children. Do not get into eyes. In case of contact flush with plenty of water. If irritation persists, get medical attention. Do not take internally. Avoid contamination of foods. For industrial use only.
