TJ-Lemon Sparkle Dish Wash is recommended for use in restaurants, institutions and hospitals for all hand dishwashing purposes. Easily removes food and grease from pots, pans, glasses and silverware. Cleans quickly and thoroughly while remaining gentle to hands. Biodegradable and also rinses freely. Deters scum even in the hardest of water.

DIRECTIONS FOR USE

DISHES AND GLASSES: For average cleaning pour ounce of Dish Wash, for each gallon of water to be used, into sink or dish pan. Add hot water. Put dishes and glasses into sudsy solution. Allow to soak for a few minutes. Wash in regular manner. Rinse in hot water and allow to drain dry.

POTS, PANS AND SILVERWARE: Clean using same instructions as above. For extremely soiled articles it may be necessary to use an additional amount of Dish Wash.
