Built to Last a Lifetime

Our chairs are built to last a lifetime. It is, and has always been, our goal to yield quality product that is both durable and distinctive thus satisfying each and every customer. We build chairs the only way we know how, the right way.

TLI•FURNITURE LLC

For over 25 years, our booths, tables, chairs, and other decorative products have found their way into libraries across the USA. Our skilled craftsmen build products that are designed to withstand years of use in a commercial environment, and can customize features for your unique situation as well.

We strive to bring the best products and services to our clients, from school libraries to public, private and university libraries. We provide superior products that are manufactured to the highest standards and are delivered within critical deadlines. We have a standard product selection, but we also make custom booths, tables, and chairs for customers that desire a unique décor. We can offer superior quality at competitive prices because we don't go through a middleman.

We can work with your design team or apply our years of experience in the booth furniture industry to create a solution for you.
