SYMPLICITY ™ EMULSIFIER 240

Emulsifying Detergent

Concentrated blend of detergent and naturally occurring solvents formulated to emulsify organic grease oil and food soils on restaurant linen, uniforms and polyester material. Can be used as a prespotter, presoak, or added to the normal wash cycle. Emulsifier 240 is effective in low wash temperatures, and safe to use on colored linen.

Features

Effective Cleaning – for table linens and polyesters
Contains natural solvents – will not harm environment or linen
Low temperature detergent – effective in both warm and hot water
SureConnect – No Contact, No spills, enhances safety and more
Liquid Concentrated – Economical, Saves money
