HandiPak®* 910

OXYGEN SCAVENGER - BOILERS

Product Description
HandiPak 910 solid-concentrate is engineered to control corrosion in boiler systems.

Cautions/Warnings
This container is filled with chemical product in concentrated form. Avoid contact with skin/eyes. Do not take internally. In case of contact with skin/eyes, flush/wash with water for at least 15 minutes. If swallowed or in contact with eyes, seek medical attention immediately. Keep out of reach of children. Storage of product above 90°F could cause product to soften.

For Industrial and institutional use only.

See Material Safety Data Sheet for additional, more detailed information.
