TECHNICAL DATA

WORKSURFACES

• Substructure of Particle Board 1.1" thickness thermally fused laminate.
• 2 mm PVC edge banding with perfect match to the worksurface.

CASE GOODS

• Case goods bodies 5/8" and 1.1" Particle Board in absolute white as a standard.
• Bodies include end panels, back panels, understructure, interiors and shelves.
• Steel structural components in absolute white.
• Chrome levelers giving stability to the furniture.
• 2 leg options (laminate+steel) in abosulte white.

SPECIFICATIONS

• Locks on all pedestals and drawers. Keyed alike and change keys available. (beginning October 2013)
• All keys are 99% antibacterial with Microban®
• Scallops in desks supports to allow wire management.
• Ergonomic handles in metal drawers.
• Locking casters in mobile pedestals and end cap tables.
• Pedestal can be used as a guest chair, with a comfortable cushion on top.
• Screens and modesty panels can be added in MDF or acrylic for privacy.

TEXTURES AND FINISHES

• Finishes available in thermal fused laminates. With our 4 standard finish options to choose from, we can satisfy almost any color pallet.

More options available with minimum order quantities of 5 duplicate items and an up charge which may vary by the item selected.
• All laminate bodies standard finish in white. Metal components standard finish in white. Other options available with the before mentioned conditions.
