Matrix

Matrix tables are HPFi's answer to the need for "touchdown spaces." They offer a place to read and respond to emails, texts, social media and voice mail. They also provide meeting space for teams to gather and collaborate on projects. We are often on the move and the technology of our mobile devices allows us to take our work along. **Matrix** will be there when you land!

Bedford

Meeting Tables

Bedford offers the most extensive range of traditional tops with round, rectangular and octagonal tops with square, straight and Queen Anne pedestal bases. Coordinating range of bookcases and wall units include crown molding with traditional detail.

An expandable version of Bedford (shown below) allows you to expand your table size in 48" increments as your need for meetings and meeting space increases. Expandable Bedford tables feature a cross grain laminate pattern vs. length-wise grain pattern.

Vitality

Vitality tables feature round and rectangular tops with various base options.
