The sleek lines and curves of Eve provide a contemporary solution to practically any space. Create collaborative meeting areas or large reception or lounge areas with linear and curved chairs, benches, love seats and sofas plus connecting and freestanding tables. Eve provides many solutions.

Evette is the child-size member of the Eve family coordinating and connecting with the full-size Eve seating.

The Accompany family of seating offers a transitional style with similar solutions for libraries, media centers, study areas and food courts. Choose a warm, wood finish or durable brushed aluminum leg to complement or match practically any decor.

Customize your furnishings with your logo, mascot or school name.

Flex Tiered Seating offers comfortable multi-level seating for groups to assemble. Ideal for classrooms, conference rooms, lounge or open atrium areas. Flex ottomans are an ideal solution for media centers and classrooms.

Claudia offers a unique, contemporary look. The “ski slope” arms provide unexpected and long lasting comfort. And durability is a given with our lifetime warranty.

Genesis is the perfect collaborative seating solution. Casters for mobility, storage shelf or drawer for backpacks and multiple power options to stay fully charged.

Our modular approach to seating for media center or classrooms can be easily configured and reconfigured as needs change. Integration in our seating and casegoods is a breeze with our PowerFlex solutions for technology needs

Varieties and options provide a style to fit any facility décor from traditional to contemporary.

Matrix tables are HPFi's answer to the need for "touchdown spaces." They offer a place to read and respond to emails, texts, social media and voice mail. They also provide meeting space for teams to gather and collaborate on projects

Our PowerFlex category of power and charging option provide built-in or add-on solutions for office, workstations, tables and seating. Standard A/C receptacles, active USB port and wireless charging options meet the ever increasing need for powering multiple mobile devices prevalent among both students and faculty. PowerFlex conferencing devices can be installed to provide shared access for up to four computers to a single display monitor.

With a versatile, broad range of casegoods and seating you can furnish offices, reception station, libraries, media center and work centers. We have furniture for your entire facility!
