CLOSED 1D

CLOSED SYSTEM TREATMENT

Product Description: CLOSED 1D is a concentrated, easy-to-use, *ENVIRONMENTALLY RESPONSIBLE* product engineered to control corrosion in multi-metal closed loops.

Cautions/Warnings: This container is filled with chemical product in concentrated form. Avoid contact with skin/eyes. Do not take internally. Harmful if swallowed. In case of contact with skin/eyes, flush/wash with water for at least 15 minutes. If swallowed or in contact with eyes, seek medical attention immediately. Keep out of reach of children. Storage of product above 90˚F could cause product to soften.

For Industrial and institutional use only. See Material Safety Data Sheet for additional, more detailed information.

Emergency Response #: 1-800-424-9300 (Chemtrec)

LOT# 130212TA01
