**Phaser® 6600 and WorkCentre® 6605**
Letter-size
Color Printer and
Multifunction Printer

# Xerox® Phaser 6600 Printer and WorkCentre 6605 Multifunction Printer

## Grow your business with easy office efficiency.

# Phaser® 6600 Color Printer and WorkCentre® 6605 Color Multifunction Printer

**The value of enhancing your company's image is immeasurable.** And with the value-packed Phaser 6600 Color Printer and WorkCentre 6605 Color Multifunction Printer, today's busy workgroups can easily make important business communications stand out from the competition with exceptional color printing.

## Color That Gets Your Work Noticed

No matter what business you're in, the Phaser 6600 and WorkCentre 6605 give your image an essential, colorful advantage.

- **Prints that sell your business.** A print resolution of up to 600 x 600 x 4 dpi (1200 x 1200 enhanced image quality) makes your printed communications stand out and grab attention.
- **Enhanced output.** Photo Mode makes your images and graphics look exceptional, producing deeper, richer colors for lifelike vibrancy.
- **Unique Xerox® EA Toner.** Fuses at a much lower temperature, and reduces power consumption by up to 20% and $CO_2$ emissions by up to 35%, compared to conventional toner. It's also oil-free, delivering brilliant, glossy output, even on ordinary or recycled paper.
- **Always the right color.** Pantone® Color calibrated solid-color simulations and Xerox® color correction technology ensure results that match your expectations.
- **Consistent precision.** True Adobe® PostScript® 3™ ensures your print jobs are consistently accurate, with the brightest, truest colors and superior graphics.

## High-power Capabilities

The Phaser 6600 and WorkCentre 6605 deliver a host of capabilities and powerful options made affordable for small workteams.

- **Reduce your paper usage.** Automatic two-sided printing makes saving paper easy, and gives your documents a professional appearance. Plus, N-up printing lets you output multiple pages on one sheet, which is particularly useful when printing presentations.
- **Wireless freedom.** Place the Phaser 6600 and WorkCentre 6605 anywhere in the office with optional Wi-Fi.
- **Less to replace.** High-capacity toner cartridges allow longer periods of uninterrupted productivity, and help you reduce your total cost of operation over time.
- **Consolidate and save.** The value packed WorkCentre 6605 saves energy and supplies costs by combining the functions of a copier, printer, scanner and fax — all in one device.
- **Stay secure.** Keep your sensitive documents away from unintended recipients with available secure print[1], and protect access to device features with front-panel PIN code authentication.

## Productivity Simplified

The Phaser 6600 and WorkCentre 6605 support fast-paced workteams with time-saving productivity advantages and features designed for total simplicity.

- **Print and go.** The Phaser 6600 and WorkCentre 6605 work quickly, with color and black-and-white print speeds of up to 36 ppm.
- **Load paper less often.** The main 550-sheet paper tray holds a full ream of paper — no more half-empty packages taking up valuable storage space. An optional 2nd tray increases total capacity up to 1,250 sheets for even longer periods of uninterrupted productivity.
- **Simple as can be.** The innovative 4.3-inch touch screen on the WorkCentre 6605 features bright, colorful icons and intuitive navigation for optimal ease-of-use.
- **Digitize your workflows.** Use the WorkCentre 6605 to scan your hard copy documents and get text-searchable digital files that can be automatically shared via email or network folder, or saved on the device or any USB memory device for true portability.
- **Easy startup and everyday operation.** You'll be up and running in minutes, and with Xerox® CentreWare® IS, remote device administration is handled with ease right from any networked computer's browser.
- **Go mobile.** Print directly from Apple iOS-based devices with support for Apple AirPrint™[2].

[1] Standard on WorkCentre 6605. Phaser 6600 requires Productivity Kit (with 512 MB RAM) or Productivity Kit (with 160 GB Hard Drive).

[2] Requires Firmware 201301301313 for Phaser 6600 and Firmware 201301301321 for WorkCentre 6605.

**One device, multiple functions.** The WorkCentre 6605 Color Multifunction Printer builds on the outstanding print performance offered by the Phaser 6600, delivering a host of powerful productivity tools designed to make your daily office tasks more efficient than ever.

1
The WorkCentre 6605 includes a 4.3-inch touch screen with easily understood instructions and help screens to streamline walkup operations.

2
A 50-sheet Duplex Automatic Document Feeder scans two-sided originals for copy, scan and fax jobs.

3
A front-side USB port allows users to quickly print from or scan to any standard USB memory device.

4
Powerful electronic workflows include scan to email and network scanning, plus LAN Fax for fast, efficient network faxing from your PC or Mac.

5
250-sheet output tray with tray-full sensor.

6
150-sheet Multipurpose Tray handles media sizes from 3 x 5 in. to 8.5 x 14 in.

7
With the 550-sheet paper tray, standard paper capacity for the WorkCentre 6605 totals 700 sheets.

8
Optional 550-sheet paper tray increase total paper capacity to 1,250 sheets.

## Phaser® 6600 Quick Facts

- Print up to 36 ppm color and black-and-white
- First-page-out time as fast as 9 seconds black-and-white, 10 seconds color
- Optional Wi-Fi connectivity
- Standard automatic two-sided printing
- Standard 550-sheet paper capacity (expandable to 1,100 sheets)
