# GAME TIME CLEANER

## Maintenance Cleaner for Wood Floors

*This product is developed specifically for use on wood floors coated with water-based wood coatings. Use this versatile, multi-use cleaner for daily routine maintenance, interim heavy-duty cleaning and restorative wet screening. Designed to quickly remove abrasive and oily soils, this product effectively cleans the floor surface without leaving a residue. Formulated with evaporation accelerators, it's fast drying and will not damage or dull the floor coating.*

### Uses

- Gymnasium floors
- Racquetball courts
- Any sealed wood floors

### Features

- Cleans and removes abrasive and oily soils from wood floors.
- Fast drying - Quick and easy to use. Will not leave any residue.
- Versatile - Use for daily as well as periodic maintenance.
- Restores the natural beauty of wood floors.

### Directions For Use

Read the entire label before using this product.
For use as a top-scrub cleaner for wood floor coatings. Fill Autoscrubber or mop bucket from the FastDraw dispenser.

TACKING PROCEDURE

1. Soak several large towels or microfiber mop in the solution, making sure they are thoroughly wet.
2. Wring out the towels to remove excess moisture.
3. Wrap a towel around a push broom and tack the floor.

AUTOMATIC SCRUBBER

1. Apply and immediately remove solution from the floor using the automatic scrubber.
2. No rinsing is required.

### Safety

Keep out of reach of children. For industrial and commercial use. **WARNING:** EYE AND SKIN IRRITANT. VAPOR HARMFUL. HARMFUL IF ABSORBED THROUGH SKIN. Contains 2-Butoxyethanol. Use with adequate ventilation. Avoid contact with eyes, skin, and clothing. Wash thoroughly after use.
**FIRST AID:** If splashed in eyes or on skin, flush with large quantities of water for 15 minutes. Seek medical attention if irritation persists. If inhaled, remove to fresh air. If ingested, do not induce vomiting. Call physician or Poison Control Center immediately.
