SMARTSCREEN® - CITRUS BOUQUET

Fragrance infused sanitary mat combined with a bio-active enzymatic block.

Only the SmartSCREEN®#174; gives you the confidence to convert flushing urinals to water conserving urinals. SmartSCREEN®#174; is infused with Neutrabond™ technology to ensure the restroom smells clean throughout the day. Neutrabond™ Technology is a specially developed combination of malodor counteractants and fragrances that gradually release to chemically bond to microscopic malodor compounds, such as sulfur and ammonia, rendering them odorless and non-toxic.

Features

Bio-Active Enzymes – cleans and fights odor causing bacteria with use
2400 Uses – Long Lasting
Complementary Fragrances
Non-Para Block – meets VOC requirements

Available In

72 - Screens Item #28772-00

Directions for Use

Replace Existing Handle with SmartValve. Clean Urinal. Remove the urinal screen from the plastic wrapper. Place screen into the urinal making sure the puck side is up and the drain is protected. Replace with a new screen after 30 days or when block has dissolved.
