**PRODUCT DESCRIPTION**

TRACTION™ Slip Resistant Floor Cleaner and Maintainer is a highly effective cleaner formulated for marble, terrazzo, vinyl, linoleum, epoxy and other resilient floor surfaces. Unlike other floor maintenance products, TRACTION™ leaves a thin, invisible film which increases the coefficient of friction of the floor surface and reduces the potential for slips and falls. May be used to clean and maintain acrylic polymer floor finishes as well as synthetic and carnauba based floor waxes. Effective in both damp mopping and machine scrubbing operation. Excellent for use on floors in hospitals, shopping malls, schools, offices, restaurants, industrial plants and anywhere that slips and falls are a problem.

On stone floors where a sealed floor surface is desired, TRACTION™ may be used as both a cleaner and finish on ceramic, terrazzo, brick, quarry tile, or concrete floor surfaces. For unsealed stone floors use SAF-T-STEP™ Slip-Resistant Floor Cleaner & Treatment.

For optimum cleaning of epoxy floors, see Technical Bulletin # TR101.

**PRECAUTIONS:**

Contains PROCITE™, caustic potash, and surfactants. HARMFUL IF SWALLOWED. CONCENTRATE MAY IRRITATE SKIN AND EYES. KEEP OUT OF REACH OF CHILDREN.

**FIRST AID:**

EYES: Flush with water for at least 15 minutes. SKIN: Flush with water. For sensitive skin use rubber gloves. SWALLOWED: Rinse mouth. Drink plenty of water or milk. CALL PHYSICIAN OR THE POISON CONTROL CENTER.

**NOTICE:**

Seller's and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for the intended use, and the user assumes all risk and liability whatsoever in connection therewith. No statement or recommendation not contained herein shall have any force or effect unless in an agreement signed by officers of seller and manufacturer.

# TRACTION™

Contains PROCITE™

## Slip-Resistant Floor Cleaner & Maintainer

Vinyl • Linoleum • Marble
Terrazzo • Epoxy

(See Left Panel For Precautions)

NET 5 U.S. GALLONS (18.9 LITERS)

## DIRECTIONS FOR USE

**FOR GENERAL DAMP MOPPING**

Mix 4 oz. of TRACTION™ per gallon of **cold** water and apply with a mop. This product is self-neutralizing and requires **no clear water rinse.** If rinsing is desired, use TRACTION™ diluted 4 oz. per gallon.

**FOR USE IN AUTOMATIC SCRUBBERS**

For surface cleaning, use 2 oz. per gallon of **cold** water and red buff pad. TRACTION™ has foam control. For heavy scrubbing, use 4 oz. per gallon of **cold** water.

**FOR HEAVILY SOILED OR GREASY FLOORS**

Mix 8 oz. of TRACTION™ per gallon of **warm** water. If necessary mop or scrub twice with TRACTION™.

**FOR SPRAY BUFFING**

Mix 8 oz. of TRACTION™ per gallon of **cold** water and apply with a trigger sprayer.

**FOR BEST RESULTS**

- Use TRACTION™ regularly as a mopping solution.
- Use of **cold** water will extend finish life.
- **Do not use a final clear water rinse.**
- **Do not mix with other chemicals.**

**Keep From Freezing** **Biodegradable**
