SPECIALTY CLEANERS

Solutions for the facility maintenance professional

Tough Guy™ Specialty Cleaners products offer custom solutions for the facility maintenance professional, such as furniture and woodwork polishing, and stainless steel cleaning.

The Tough Guy™ Specialty Cleaners group also includes a unique bacterial treatment and odor counteractant, for use in dumpsters, trash cans and around docking areas.

** RTU is "Ready To Use"—no dilution required*

2CXR4
Silicone-based lemon furniture polish. This product restores and maintains the appearance of wood and paneling. Contains detergents that removes dirt, grime, dust, and smudges from furniture surfaces. Lemon fragrance leaves a pleasant scent after cleaning.

2CXE1
Stainless steel cleaner. Unique water and oil emulsion formula cleans, polishes, and protects better than traditional formulas. Non-abrasive; will not scratch surfaces. Non-flammable.

2DBX2
Aerosol stainless steel cleaner, water-based. Contains d-Limonene. For use on restaurant equipment, elevators, drinking fountains, etc.

2DBX3
Aerosol stainless steel cleaner, oil-based. For use on aluminum, stainless steel, chrome, copper, and brass.

2CYF3
Revolutionary bacterial treatment and odor counteractant. Eliminates rancid odors commonly found in dumpsters, trash cans and around docking areas. Quick-connect a standard garden hose directly to the nozzle, ensuring proper dilution every time.

2DBX9
Jelled graffiti and spray paint remover; clings to vertical surfaces. Emulsifying formula will not harm glass, steel, aluminum or most enamel surfaces.

2DBY1
Foaming plastic cleaner. Leaves an invisible coating that prevents static electricity from attracting airborne particles. Great for cleaning computer screens.
