RESTROOM CLEANERS

Solutions for the facility maintenance professional

Tough Guy™ Restroom Cleaners include an array of acid-based and non-acid based cleaners, suitable for daily cleaning or removal of more aggressive soils.

Tough Guy™ Restroom Cleaners effectively remove built-up soap scum, organic soils, water scale, unsightly rust stains, mineral deposits, and penetrate clogged drains. EPA-registered formulas provide bacterial control against many organisms found predominantly in restroom areas.

*Get **Tough Guy**™ by phone, fax, online at **www.grainger.com**—or at your local Grainger® branch.*

2LEF8

Non-acid disinfectant bowl cleaner. Provides bacterial control against many organisms found predominantly in restroom areas. Non acid formula, safe for daily cleaning. EPA registered.

2CYF1

Aggressive drain opener. Heavy duty alkaline formula cuts through standing water and dissolves stubborn clogs. Formulated to not harm pipes or septic systems.

2LEF5

23% hydrochloric acid bowl cleaner, non-EPA. Removes unsightly rust stains, restroom soils, and mineral deposits.

2LEF7

9.5% hydrochloric acid disinfectant bowl cleaner. Kills harmful germs, controls odors, and removes unsightly rust stains, restroom soils, and mineral deposits. Thickened formula clings to vertical surfaces. EPA registered.

2LEF4

Foaming acid shower cleaner. Cleans and descales shower surfaces, removes water spots and soap scum, deodorizes and removes mildew. Foaming formula clings to vertical surfaces to increase dwell time. Pleasant fragrance.

2LEE9

Phosphoric acid lime scale cleaner. Concentrated for fast, effective removal of heavy scale build-up and economical enough for maintainance cleaning. Safe on most surfaces.

2LEF3

25% phosphoric acid, non-EPA. Powerful, heavy duty formula provides excellent removal of built-up mineral and soil stains, requiring less time and physical scrubbing. When used as directed, will not attack chrome; keeps fixtures shiny.

2LEF6

Liquid crème cleanser. Provides the assistance of mild abrasives to clean tough jobs. Creamy formula is easily applied, including on vertical surfaces. Safe to use on most hard surfaces.

2CXR8

Green Seal Certified®, hydrogen peroxide cleaner. Versatile—can be used on a variety of surfaces such as floors, bathroom fixtures, glass and carpets. Environmentally preferred.

2CXU8

Green Seal Certified®, mild acid restroom cleaner. Unique formula controls build-up of soap scum and water scale. Non-corrosive; safe on all water-washable restroom surfaces. Environmentally-preferred.
