AMENDMENT ONE

Lawn and Landscaping Services

IFB No. 2016-01

The Personal Service Contract Review Board, on behalf of the State of Mississippi, plans to develop a Preapproved List of Providers for Lawn and Landscaping Services, and invites your bid. Section 7.1.5.9, Lawn Maintenance has been modified.

7.1.5.9 Lawn Maintenance. Contractor shall fill in holes in the lawn with topsoil, reseed bare areas with seed that is appropriate to area seeded (sun, shade, or mixture thereof), apply initial watering for successful germination, and over seed all grassy areas once a year, in the fall, excluding ball field areas and embankment areas.

The modification has been underlined and provided below:

7.1.5.9 Lawn Maintenance. Contractor shall fill in holes in the lawn with topsoil, reseed bare areas with seed that is appropriate to area seeded (sun, shade, or mixture thereof), apply initial watering for successful germination, and over seed all grassy areas once a year, in the fall, excluding ball field areas and embankment areas. <u>If seed is required, it will be provided by the Agency.</u>

No other changes are made to Amendment One of the Invitation for Bids (IFB).

Please acknowledge receipt of this Amendment One by returning it, along with your original bid, by April 20, 2016 at 1:00 PM CST. This acknowledgment should be enclosed in your bid packet following the submission instructions located in the IFB. **<u>Bids will only be accepted from vendors who also submit this acknowledgment of this amendment.</u>**
